### PROFESSIONAL SKILLS

---

**Photoshop, Illustrator** Know like back of hand, especially photo correction and vector designs.

**Final Cut** Comfortable working knowledge, including 2-camera editing.

**After Effects, Motion** Very basic skills, but I LOVE LOVE LOVE working in these and am learning.

**Flash** Basic skills, a mix of Actionscript and timeline editing.

**HTML/ CSS** Basic knowlege, can always figure out what's going on. Smattering of js too.

**Drawing and Painting** Drawing is where I started, it's second nature.

**Video Production** Basic experiance, want to get feet wetter than they are.
